The LODLC2BY is a versatile home lighting center that includes detachable area lights, a combination area light and flashlight and a nightlight/emergency light. On "Low," it is a soft nightlight. On "High" it provides bright area lighting. Plus the Energizer® Light on Demand™ sticks can be undocked and used anywhere. In the event of a power outage, the Find Me™ light helps locate your lighting center. The sticks can also use AAA batteries.

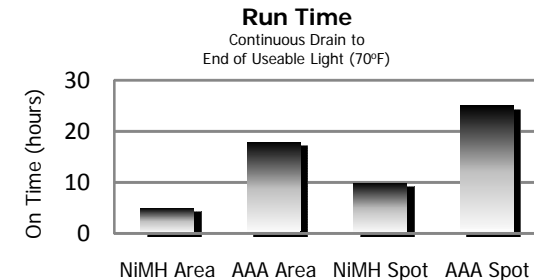

Before Using Your LODLC2BY:
Please read all instructions and cautionary markings on the package and light
